Step off the front porch and into the light, bright, roomy interior and you know you're home. This traditional sidehall colonial has a great location and plenty of space; there's even a den/office and butler's pantry on the first floor. It may be a little too late in the season to get cozy in front of the gas fireplace, but there is time to enjoy the azaleas! Great location, close to transportation, schools and parks. Hardwood floors are under the carpeting. Great big eat-in kitchen ready for your updates yet livable now.
